*Approved Users are required to use Multi-Factor Authentication when logging in. Please review your options for MFA including FAQs on our website or talk to your IT team, before advising us of your login email/s (single email (shared team login) vs multiple: depending on your team's preference and clinic set up).

If multiple, details will be collected via email after we have received your application.

Please describe your organisation/situation:

Please describe your intended use of the NZCAR:

Request access to NEIT Yes / No (please circle)

By signing, you confirm you have read and understood the NZCAR [Terms and Conditions](#) including [Privacy Policy](#), [Disclaimer of Liability](#) and [Code of Conduct](#). If part of an organisation, by signing you confirm that you will distribute and ensure the understanding of this information to your team.

NEIT exists to support equine biosecurity and disease management. Separate [Terms and Conditions](#) apply.
